4. They should obtain at least 'C' grade. If a child gets 'D' grade in some competencies, the teacher should repeat the cycle.
5. It is therefore recommended that tentatively 10 cycles of CCE should be planned in advance, so as to ensure that at least 8 cycles are completed by all the students securing at least 'C' grade in all the competencies by March.

FOR CLASS III to X

1. In class VI, the student scoring E grade in Half Yearly and Yearly examination can be given one opportunity to improve their performance in Half Yearly and Yearly examination separately.
2. For class III to VIII there will be periodic test in each term of 40 marks which will be reduced to 10 marks in report card for final assessment.
3. For class X, a new pattern of assessment will follow having an internal assessment of 20% and 80% external assessment as weightage.

6. **The Programme for International Student Assessment (PISA):** PISA is the OECD's Programme for International Student Assessment. Every three years it tests 15-year-old students from all over the world in reading, mathematics and science. The tests are designed to gauge how well the student's master key subjects in order to be prepared for real-life situations in the adult world. Why choose 15-year-olds? Because in most countries, at the age of 15, students can decide whether or not they want to continue their education. They therefore need to be equipped for adult life.
